

ENGLISH BOOK LIST

(2026-2027)

Below is the Catholic High School English Book List. You will purchase these books at registration in August. (We know you might already have some copies, but please plan to make the purchase anyway, this ensures that students all have the same copy. If he does have an extra, he can have one at home and one at school – just make sure they are the same edition!) Your son's English teacher will distribute the current book each month.

Please note that the English teachers will not finalize next school year's list until May. It is not necessary for your son to read any of these books now. He will have a full month to read each book.
