

**Thursday, October 10th,- Alumni Dinner at the school/After party Cantina Laredo
Midtown LR**

Friday, October 11th- Homecoming Tailgate and Football Game at War Memorial

Saturday, October 12th- Reunion party at 42 Bar and Table in Clinton Presidential Center

For those who have not been back in a while, I think that you will be pleasantly surprised with these events. First of all, the Alumni Dinner is a great time to see many familiar faces and some familiar surroundings. The school has certainly been upgraded over the years and is worth checking out- you're going to be impressed. Additionally, getting to hear Steve Straessle share an update on how the school is continuing to turn young boys into men is always inspiring.

Then on Friday afternoon and night, just as it has become with so many of our sporting events, you will get to experience a Catholic High Tailgate party before the Homecoming game at the stadium. The old tennis center that was adjacent to War Memorial is no more. It's one giant lawn that is transformed into a massive tailgate party on gameday. A great time to see and catch up with old friends.

Saturday evening, we will be gathering for our official party to be held at 42 Bar and Table which is located downtown on the bottom floor of the Clinton Presidential Library. If you haven't been back to Little Rock in a while, this venue is part of a revitalized downtown that has added an exciting "vibe" to our hometown.

Let me also throw out that, while it may not be "official." If you are coming from out of town, bring your tennis racket, pickleball gear, and/or golf clubs as several classmates are talking about getting any of those activities going during the day Friday, Saturday or Sunday.

Our first priority in putting this reunion together is to get to see as many old friends as possible. As far as costs, we are asking for **\$50 per graduate** to attend. There is no added cost for spouses, significant others, or dates. Additionally, if the cost would prevent anyone from coming, disregard it. **We want as many classmates as possible to attend- PERIOD!** We are accepting "sponsorships" from classmates who are willing to contribute more. We are committed to donating any balance that exceeds our expenses to the scholarship funds at our alma maters.

For payment, we are accepting checks or Venmo. **Checks** should be made out to:

"CHS Class of 84"

They may be sent to me or Gina (Scerbo) Bilger at:
